

“You can’t **control** what
you don’t **measure**.”

Merlin Learnin’ Day

brought to you by
Merlin Instrumentation

Join factory experts and industry leaders in
measurement and **control** for a half-day of learning
and hands-on product demos.

Energy efficiency.
Operational accuracy.
The technology is here. The choice is yours.

With guest speakers **Jim Riendeau** (Vice President Sales, EBTRON)
and **Pascual Espinosa** (Technical Sales Manager, Badger Meter)
